

Hub Shift Assistant

The Volunteer Center of Washington County is hiring!

If you love great coffee and you'd like to be part of a community-driven organization that's passionate about helping people, we want to meet you!

The Hub Assistant is a part time position all about brewing social good!

Here's the type of personality we're looking for:

- Must be a self-starter (we're a small group that has a huge impact, anything but highly driven will not do well here).
- Must be very good with people...if you're energized by helping people then this is the position for you.
- Willing to serve. Our organization is all about serving local non-profits and that mindset is a part of our corporate DNA. If you believe that no job is beneath you, and you enjoy pitching in wherever you can, that's what we're looking for.
- A "do whatever it takes," make no excuses attitude...it's just kind of our thing.

Technically, here's what you'll already need to know and be able to do in order to be successful at this position:

- At least one year of barista experience required.
- Experience assisting with managing inventory, coffee shop bookkeeping, up keeping shop, cleaning, and other tasks as assigned.
- Serve as a source of basic information for customers interested in volunteering, making referrals to the Volunteer Center when appropriate.
- Serve as a source of information on coffee, brew techniques and industry trends.
- Ability to provide leadership and work side-by-side with a crew of volunteer baristas.
- Excellent verbal and written communication skills.

If you're looking for an opportunity that's not just a career, but a mission, please kindly submit your resume here:
