

the COMMUNITY Mosaic PROJECT

CREATING COMMUNITY TOGETHER | PARTICIPATION AGREEMENT

Thank you for participating in the 2018 Community Mosaic!

The Community Mosaic Project, presented by the Volunteer Center, is being designed to bring artists, businesses, children, non-profit partners and community members together. This visual tapestry of public art telling the stories of the participants, and our Washington County community.

The project will be showcased at the Gallery of Wisconsin Art in September and October, 2018.
The 300+ individual canvases will come together to show the IMPACT that volunteers have in our community.

This year we're asking, *What does "social good brews" mean to you?* Tell us through painting, drawing, photography, fiber art, assemblages, three-dimensional or sculptural work....let your creativity soar (but please keep it friendly for the kiddos & within the confines of the provided 6"x 6" canvas).

The Volunteer Center of Washington County (VCWC) makes a significant investment in hundreds of canvases to make this event possible.

- There is no cost to you to participate.
- Treat your canvas with care.
- Canvases remain the property of VCWC until sold.
- Return canvas and artist statement to the Hub-303 Water Street in West Bend | **Due by August 27, 2018.**
- If something comes up and you're no longer able to participate, let us know as soon as possible!
- **All canvases must be returned with a completed artist statement.**
