Dear Friend of the Volunteer Center and The Hub,

We have made the difficult decision to temporarily close our doors. The safety of our volunteers, staff and supporters is something we're simply not willing to compromise.

We believe that by practicing an abundance of caution, we're doing our small part to keep this community that we love *safe*. We encourage you to join us.

This means following directives that will help limit the spread of COVID-19. But it also means finding ways to remain connected (even while physically distant).

We're already receiving requests from people who are looking to do something positive. These requests to volunteer are no surprise to us: helpers rise up even in the most uncertain of times. We're actively having conversations with our nonprofit partners to figure out what *connecting* and *volunteering* will look like in the next few days, weeks, and months.

All Volunteer Center staff will be working remotely and available by phone or email. We hope that each and everyone of you stays safe and healthy.

Warm Regards

Sue Millin
